6. **ACTIVE AGENDA**

A. **Resolution No. 2015-27 approving Task Order No. 2015-02 Addendum No. 1 with Huibregtse, Louman Associates, Inc., for the East Wine Country Plaza Improvements**

On March 18, 2015, bids were opened for the construction of the East Wine Country Plaza which was being funded through the SIED Program. The City received very good bids and has approximately \$180,000 remaining in the fund budget. The City requested approval from David McFadden to use the remaining funds for improvements of East Wine Country Road. The proposed improvements would include an asphalt grind/overlay, new LED lights and irrigation improvements. The City Engineer would need to prepare construction specifications in order to obtain an estimate which would be in the form of a change order for the additional work. The total estimate for the design engineering, construction engineering and additional construction was estimated at \$173,954 which leaves an estimated balance of \$7,174.18.

On motion by Councilmember Moore, second by Councilmember Souders, Council unanimously approved Resolution No. 2015-27 approving Task Order No. 2015-02 Addendum No. 1 with Huibregtse, Louman Associates, Inc., for the East Wine Country Plaza Improvements.

B. **Resolution No. 2015-28 authorizing the Mayor to sign Supplemental Agreement Number 1 with Huibregtse, Louman Associates, Inc., for professional engineering services relating to the Old Inland Empire Highway Improvements**

Currently, the City was under contract with HLA for the design of the Old Inland Empire Highway Improvements which were funded through an STP Grant. The agreement was executed on January 14, 2014, with a maximum payable amount of \$242,900 and the design was to be completed on June 30, 2015. However, because of the lack of available construction funding, the City extended the completion of the design work. The Supplement Agreement Number 1 would extend the completion date for design to December 31, 2016, providing additional time to apply for construction dollars. The supplemental agreement did not increase the cost and only extended the completion date.

On motion by Councilmember Mendoza, second by Councilmember Moore, Council unanimously approved Resolution No. 2015-28 authorizing the Mayor to sign Supplemental Agreement Number 1 with Huibregtse, Louman Associates, Inc., for professional engineering services relating to the Old Inland Empire Highway Improvements.

Subject: Industrial User Contract Amendments
Attachments: 2015-06-01 Industrial Contract Amendments.pdf

Cus and Anita,

Attached for the City's review and action are the Industrial User Contract Amendments for the following industries: Shonan USA, Smucker Fruit Processing Company, Stimson Lane Ltd. (Chateau Ste. Michelle), and Welch Foods. Contract amendments were sent by previous emails for: FruitSmart, Conrad & Adams, and Baker Commodities.

Earlier this year, when speaking with the industries, we found the Washington Department of Ecology (Ecology) had a different interpretation of the discharge limits placed on industries under the terms of their current Industrial Wastewater User Contracts. Ecology considered the limits found in Schedule A of the contracts to be maximum daily limits, rather than the intended maximum monthly discharges. As a result, industries were receiving notices of violations from Ecology, although the City did not consider the discharges a contract violation. Therefore, changes to the contracts were recommended.

The Industrial User Contract Amendments address Ecology concerns by further clarifying that contract flows are maximum month flows rather than maximum day flows. Discharge violations should also be reduced by stating, "Wastewater discharges shall not be considered a violation of the Industrial User's Washington Department of Ecology State Waste Discharge Permit until they reach 120% of the values listed in Schedule A." Lastly, we improved consistency among users by providing quarterly contract limits to those industries who experience significant seasonal variations due to changing harvest patterns.

In summary, the contract amendments provide increased flexibility in Ecology's administration of industrial discharge permits, and notices of violation should be reduced. The use of quarterly limits will benefit the industries, but should not affect the loadings to the wastewater treatment plant. The terms of the contract and penalties for discharges in excess of contracted capacity are unchanged.

Should you have any questions or need more information, please call or email. We are available to meet with the City Council or your industrial customers if further discussion is needed.

Thanks,

Mayor Norm Childress
Cus Arteaga, City Administrator

City of Grandview
207 West Second Street
Grandview, WA 98930

Dear Gentlemen:

It is with great sadness that I must resign from my City Council Position effective immediately. Over the next 4-5 months, I will constantly be traveling to and staying in Seattle for personal reasons. This will prevent me from fully participating and focusing on the business of the council. Therefore, it is best that someone else have the opportunity to serve at this time in this most important position.

It has been a pleasure and an honor to serve with outstanding fellow council members. It is unfortunate that I will not be able to serve my term at this time. However, I hope that there will be other opportunities in the future to work together to improve the community of Grandview.

Until, such time, I wish you all the best in the great work you all are doing on behalf of the citizens of Grandview.

Sincerely,

Robert Ozuna
Council Member

City of Grandview
Comprehensive Plan Update
Public Participation Plan

Background

The City of Grandview is subject to, and plans under, the guidelines of the Growth Management Act (GMA). The planning process for updating a Comprehensive Plan requires early and continuous public participation (RCW 36.70A.140).

RCW 36.70A.140:

Each county and city that is required or chooses to plan under RCW 36.70A.040 shall establish and broadly disseminate to the public a public participation program identifying procedures providing for early and continuous public participation in the development and amendment of comprehensive land use plans and development regulations implementing such plans. The procedures shall provide for broad dissemination of proposals and alternatives, opportunity for written comments, public meetings after effective notice, provision for open discussion, communication programs, information services, and consideration of and response to public comments. In enacting legislation in response to the board's decision pursuant to RCW 36.70A.300 declaring part or all of a comprehensive plan or development regulation invalid, the county or city shall provide for public participation that is appropriate and effective under the circumstances presented by the board's order. Errors in exact compliance with the established program and procedures shall not render the comprehensive land use plan or development regulations invalid if the spirit of the program and procedures is observed.

The City of Grandview proposes the following to conform with RCW 36.70A.140:

1. Study Sessions – discuss draft sections of plan elements with the Planning Commission.
2. Workgroup Presentation – the final draft will be presented at a work session with the Planning Commission.
3. Public Comment – the draft will be available for review during a public comment period.
4. Revision – the public comment draft will be modified based upon comments received at the study sessions, the workgroup presentation, and during the public comment period. The Planning Commission will make a recommendation to the City Council.
5. Public Hearing and Final Adoption – The City Council will hold a public hearing to consider the recommendation of the Planning Commission prior to adoption.

Public Participation Plan Objectives:

1. Provide for “early and continuous” public participation
2. Build community trust in the planning process
3. Seek public input and ideas concerning the future of Grandview
4. Encourage participation of individuals, community groups and organizations that may not normally participate in the planning process
5. Explain the laws by which the City is obligated to conduct the Update process

Notification Methods

The following methods may be used to inform the public of the opportunity to participate:

1. Newspaper advertisements—an initial newspaper ad informing of the start of the Urban Growth Area and Comprehensive Plan Update
2. E-mail and/or direct mail notice to interested parties who wish to receive notification
3. E-mail notice to interested parties in key organizations – Requesting those key outside organizations distribute to their membership and to other organizations.
4. Press Releases
5. Utility Billing flyers

ARTICLE 1 - PURPOSE OF AGREEMENT

1.1 This Agreement is made by and between the CITY OF GRANDVIEW, WASHINGTON, a Municipal Corporation, hereinafter referred to as the "Employer," and TEAMSTERS LOCAL NO. 760, hereinafter referred to as the "Union," for the purpose of fixing the scale of wages, schedule of hours and the general working conditions affecting the employees.

ARTICLE 2 – RECOGNITION

2.1 The Employer recognizes the Union as the certified collective bargaining representative for all regular full time and regular part time uniformed police personnel of the City's Police Department, with the exception of the Police Chief and Assistant Police Chief.

ARTICLE 3 - UNION SECURITY AND DUES CHECK-OFF

3.1 It shall be a condition of employment that all employees of the Employer covered by this Agreement shall, on or before the thirtieth (30th) calendar day following the beginning of such employment, or the execution date of this Agreement, whichever is later, join the Union; or agree to pay to the Union the sum equal to the regular initiation fee and regular monthly dues commencing on or before the thirtieth (30th) calendar day following the beginning of such employment, or the execution date of this Agreement, whichever is later.

3.1.1 If an employee covered by this Agreement has an objection or is forbidden, based upon bona fide religious tenet or teaching of a church or religion to which he belongs, such employee shall pay an amount of money equivalent to the regular Union initiation fees and regular union dues to a non-religious charity, or to another charitable organization mutually agreed upon by the employee affected and the bargaining representative to which such employee would otherwise pay the regular fees and monthly dues. Should an employee exercise this option, the Union and the employee may enter into an agreement to provide for a division of the costs incurred, should the employee request the Union's assistance in pursuing a grievance on the employee's behalf.

3.1.2 The Union agrees to represent all employees within the bargaining unit without regard to Union membership. The Union shall provide the Employer with thirty (30) calendar days' notice of any change in the dues structure and/or the initiation fee structure

3.2 When an employee fails to fulfill the obligation as set forth in Section 3.1 or 3.1.1, the Union shall provide the employee and the Employer with thirty (30) calendar days' notification of the Union's intent to initiate discharge action and during this period the employee may make restitution in the amount which is overdue. If an employee has not fulfilled the Union membership obligation and/or other provisions as described in Section 3.1 or 3.1.1 by the end of the applicable discharge notification period, the Union shall thereafter notify the Employer in writing, with a copy to the affected employee, of such employee's failure to abide by Section 3.1 or 3.1.1. In this written notice, the Union shall specifically request discharge of the

employee for failure to abide by the terms of the Labor Agreement between the Employer and the Union.

3.3 When the Employer hires a new employee, the Employer shall, within fourteen (14) calendar days of the date of employment, notify the Union in writing giving the name, social security number, hire date, address and classification of the employee hired.

3.4 When provided a "voluntary check-off" authorization in the form furnished by the Union and signed by an employee, the Employer agrees to deduct from the employee's pay, the Union's applicable dues and/or service fees, as prescribed in the "voluntary check-off" form. The full amount of monies so deducted by the Employer shall be promptly forwarded to the Union by check along with an alphabetized list showing names and amounts deducted from each employee. The Union agrees to defend and hold the Employer harmless against all suits, orders or judgments brought or issued which may arise from the Employer making a good faith effort to administer this section.

ARTICLE 4 - RIGHTS OF PARTIES

4.1 **Management Rights:** The Union recognizes and agrees that the Employer has core management rights to manage and direct the affairs of the Employer without bargaining about the decisions in all its various aspects, including, but not limited to the right to: manage, direct and supervise all operations of the work force; to assign overtime; to plan, direct, control and determine all the operations and services of the Employer; to determine the means, methods, organization and number of personnel by which operations and services are to be conducted; to establish the qualifications for employment; to hire, assign, transfer and promote employees; to demote, suspend without pay, discipline or discharge employees for just cause. (Probationary employees without just cause); layoff employees due to lack of work, lack of funds or reorganization; to make and enforce reasonable rules and regulations for the Department; to change and/or eliminate existing methods, equipment and/or facilities; to make any and all decisions pertaining to budgetary and fiscal matters; and to take whatever action is necessary in the event of an emergency.

4.2 **Union Rights:** Except as indicated in Section 4.1 above, the Union does not waive any right the Union has under applicable State Laws including, but not limited to, the right to require the Employer to bargain collectively concerning any subject matter held by State Laws to be mandatory which is not otherwise covered by this Agreement.

4.3 **Employee Rights:** All employees shall be entitled to and afforded the rights common to any citizen, regardless of occupational position and as set forth by State law and any constitutional amendment against self-incrimination. These rights shall include but are not limited to: The opportunity to contact and consult with an attorney of his/her own choosing, or a representative of the Union, before and/or during any interrogation which could lead to disciplinary action.

ARTICLE 5 - DEFINITIONS OF EMPLOYEES

5.1 Regular Part-Time Employee: A Regular Part-Time employee is one who has successfully completed his/her probationary period for a duration of the months necessary to obtain the appropriate certifications to perform the work of the classification, and who may work less than eight (8) hours per day or forty (40) hours per week. Such employee(s) shall be paid hourly in accordance with the applicable job classification. A regular part-time employee shall be entitled to a pro-rata share of sick leave, vacation and holiday benefits. For each month a regular part-time employee works or is compensated for at least eighty-five (85) hours, said employee will receive pro-rata sick leave and vacation benefits in ratio to that of a regular full-time employee. Regular part-time employees are entitled to medical benefits pursuant to Article 15. Employees who are hired as regular full-time while serving in a regular part-time capacity shall receive credit for all time served as a regular part-time employee towards satisfying the necessary probationary period.

5.2 Regular Full-time Employees: A regular full-time employee is one who has successfully completed his probationary period and is employed on a full time basis of forty (40) hours per workweek. Nothing in this section shall guarantee a forty (40) hour workweek. A regular full time employee is entitled to accrue the full benefits of the conditions of this Agreement, and shall be paid in accordance with the salary schedule of this Agreement.

5.3 Probationary Employee: A probationary employee shall be defined as any new hire (including lateral transfer) that has never been employed by the Employer during the previous twelve (12) calendar months, and has not completed twelve (12) calendar months of service with the Employer since the first day of employment, or eight (8) months of service since receipt of Peace Officer Certification, whichever is later. Probationary employees shall work under the provisions of this Agreement but shall be only on a trial basis, during which period said employee may be discharged without just cause and without recourse. The probation period may be, by mutual agreement between the Employer and the Union, extended up to an additional one hundred eighty (180) calendar days if the employee's performance warrants such action. The extended probation period may also be waived by mutual agreement between the Employer and the Union.

5.3.1 In cases of extreme emergency (sudden serious illness or injury to employee or a family emergency) a probationary employee may use sick leave with approval of the Police Chief or his designee. If the employee fails to pass probation, he will have such sick leave used deducted from his final paycheck.

5.4 Employer: Wherever the term Employer is used in this agreement it shall mean the City Administrator and the Chief or his designee.

ARTICLE 6 - SENIORITY

6.1 No employee shall acquire seniority until he has become a regular employee under this Agreement. Said regular employee is one who has successfully completed his probationary period as referenced in Article 5, Section 5.3.

6.2 The lists of employees arranged by classification in order of seniority within the classification shall be provided to the Union annually upon request by the Union. If a sergeant served as a police officer then the years of service as a police officer will be listed separately as well but the years of service as a police officer shall not count towards sergeant classification seniority. Should more than one employee have the same seniority classification date, the individuals involved will determine seniority by use of their Civil Service examination ranking. If there is a dispute about the seniority listing said dispute shall be addressed through the grievance procedure.

6.3 Classification seniority shall be determined by Civil Service classification and shall be in accordance with the Rules and Regulations of the Grandview Civil Service Commission.

6.4 The seniority of an employee shall be considered broken, all rights forfeited, and there is no obligation under this Agreement to rehire when the employee:

6.4.1 Voluntarily leaves the service of the Employer

6.4.2 Is discharged for just cause

6.4.3 Is laid off for a period in excess of twelve (12) consecutive calendar months

6.4.4 Is absent from work because of an illness or injury not to exceed twelve (12) consecutive calendar months unless extended by the Employer or as provided by LEOFF.

6.4.5 Fails to return to work upon recall from a lay-off within seven (7) calendar days after receipt of written notice from the Employer at his last known address appearing on the Employer's records.

6.5 There shall be no deduction from continuous service from any time lost which does not constitute a break in service as set forth herein, except as provided in Article 7.10, Leaves of Absence.

6.6 **Layoff and Recall:** The Employer has the sole discretion to determine when a layoff is necessary. The Employer has the right to determine which particular classification (police officer or sergeant) will be affected by the layoff. When the Employer makes the determination that a layoff is necessary and has determined which particular classification will be the subject of the layoff, the Employer will layoff the least senior employee in that classification. If the classification chosen by the Employer is the sergeant classification then the least senior sergeant shall be laid off in that classification provided; however, if the least senior sergeant was a police officer with the Grandview Police Department then the sergeant could bump down into the police officer classification and would dovetail into the police officer seniority list where applicable and the least senior officer would be laid off. The Employer (City Administrator and Police Chief) will communicate and coordinate with the Union representative to address the bumping process. Layoffs shall not be subject to the grievance procedures.

6.6.1 In the event of a layoff, the Employer agrees to give the employees a minimum of seven (7) calendar days' notice and each employee shall give the Employer at least seven (7) calendar days' notice prior to leaving city employment. This shall not apply to dismissals carried out under Article 16.

6.6.2 Should either party fail to give the seven (7) calendar days' notice, that party shall be subject to the penalty of wages at the contract rate for each day not so notified to the maximum of seven (7) calendar days, holidays excepted.

ARTICLE 7 - DEFINED LEAVES

7.1 **Sick Leave:** Employees shall accrue one (1) working day of sick leave for each month of continuous employment and may accumulate to a limit of one hundred eighty (180) working days. Regular full-time employees hired prior to 01/01/2007 shall receive fifty percent (50%) employees hired after 01/01/2007 shall receive twenty-five percent (25%) of their accrued sick leave paid out in hours upon death, retirement or upon leaving employment under good terms after twenty (20) years of service with the City of Grandview provided they have a minimum of 360 hours in said bank.

7.1.1 **Accrual:** Employees earn one (1) day of sick leave, commensurate with his/her scheduled shift, for their first month of employment if they are placed on the payroll on or before the fifteenth (15th) of the month and actually work continuously through the rest of that month. Terminating employees do not receive leave credits for the month in which they terminate unless they actually work continuously through the fifteenth (15th) of the month.

7.1.2 Regular part-time employees as defined in Article 5, Section 5.1, shall accumulate sick leave on the basis of forty-six thousandths (.046) times the regular hours worked per month (exclusive of overtime) not to exceed ninety-six (96) hours annually. Regular part-time employee's sick leave may accumulate to a limit of three hundred sixty (360) hours.

7.2 A deduction of the number of sick leave hours equivalent to the length of the shift shall be made for each full day's absence due to the following reasons: Non-occupational personal illness or physical disability or quarantine of an employee by a physician for non-occupational related disability. Deduction for the use of sick leave shall be the equivalent of the length of the shift to which an employee is assigned. For example, if an employee is assigned to an 8-hour shift then 8 hours will be deducted, if assigned to a 10-hour shift then 10 hours will be deducted and/or if assigned to a 12-hours shift then 12 hours will be deducted. The rate of sick leave pay shall be the same per day as that paid the employee per working day. Should an eligible employee use less than ONE (1) FULL shift of sick leave, such sick leave will be deducted for the actual time away from the job on an hour-for-hour basis.

7.3 If unable to report to work because of illness or injury, the employee shall report his reason for absence to his immediate supervisor or the dispatcher on duty, at least one (1) hour prior to his scheduled work shift, unless the exigency of the circumstances dictate otherwise. Failure to provide proper notification may constitute abandonment of duties. After three (3)

days of sick leave usage per calendar year, the Police Chief or his designee may require a doctor's statement from the employee verifying the employee's condition which prevented him or her from working. Said doctor's statement if required shall be paid for by the Employer unless fully covered by medical insurance.

7.3.1 Any employee found to have abused the provisions of a defined leave privilege by falsification or misrepresentation shall be subject to disciplinary action.

7.4 Emergency Family Leave: When a regular full-time or regular part-time employee suffers a serious illness/injury of a member of his immediate family, he may, with the approval of his Department Head, be absent from duty not more than five (5) consecutive working days on any one (1) occasion. Serious illness/injury shall be defined as that requiring immediate emergency treatment, or which is potentially incapacitating or life threatening, including injury/accident or comparable illness. Such absence shall be withdrawn from the employee's emergency/sick leave bank. Immediate family shall be defined as spouse, child, parent, brother, sister, father-in-law, mother-in-law, or other relative living in the employee's household.

7.5 Bereavement Leave: Bereavement leave may be granted up to forty (40) work hours per occurrence for immediate family members of the employee (the following is the definition for immediate family of the employee or spouse of the employee: Parent, child, spouse, brother, sister, son-in-law, daughter-in-law, grandparent, grandchild, and equivalent step relatives); up to 24 work hours per occurrence for other extended family members (i.e., aunts, uncles, nieces, nephews or cousins) where out of town that includes overnight travel is required; up to 4 hours per occurrence for close friends and acquaintances that may have resided within the normal commute area of the employee's residence. Employees may make written request to their respective department directors asking for exceptions to these guidelines, which describe the justification for a request to deviate from the bereavement time off.

7.5.1 When an employee is an actual participant in a funeral ceremony, he may be granted a reasonable time off to perform such duty. Time not worked because of such absence shall not affect vacation or sick leave accrued.

7.6 Childbirth Leave: A regular full-time or regular part-time employee may be absent for the birth of a child by the employee's spouse. Under normal circumstances, the absence will be limited to not more than three (3) consecutive days, with Department Head approval, and shall be withdrawn from the employee's emergency/sick leave bank.

7.7 Maternity Leave: Disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth and recovery there from, shall apply equally to married and unmarried women, and are for all job-related purposes, to be considered temporary disabilities. Accrued sick leave may be used for childbearing or related circumstances as set forth above. If the period of disability because of childbirth or related circumstances extends beyond the employee's accrued sick leave, then she may request a leave of absence as per Article 7, Section 7.10. To be eligible for sick leave because of childbearing or related circumstances, a female employee shall give her Employer two (2) weeks' notice, if possible, of her anticipated

date of departure and intention to return. For purposes of this policy, a four (4) week period of recovery after childbirth or related circumstances shall be considered as reasonable in the absence of extenuating circumstances. Female employees cannot categorically be denied the opportunity to work during the entire period of pregnancy, but may continue working as long as the individual and her physician concur in her ability to work, and the demands of the job are satisfied. A doctor's certificate of release may be required upon her return to work. The employee's return to work shall be governed by R.C.W 49.60 and W.A.C. 162-30-020.

7.8 Worker's Compensation: All employees of the bargaining unit will be covered by State Worker's Compensation or some program with equal or better benefits. Any employee who is eligible for time off because of an on-the-job injury shall be paid sick leave. Any State Industrial benefit received by the employee shall be endorsed to the Employer. Upon receipt of this compensation by the Employer, the employee shall be credited with sick leave on a pro-rata basis of the State Industrial benefit to the original amount of sick leave taken. Sick leave benefits shall be limited to that amount which the employee has accumulated.

7.9 Military Leave: A regular employee who is an active member of any organized reserve of the Armed Forces of the United States, shall be entitled to and granted a military leave of absence from his employment for a period not exceeding twenty one (21) days during each year beginning October 1 and ending the following September 30. Such leave shall be granted in order that the employee shall be able to participate in his mandatory active training duty. Such military leave shall be in addition to any vacation or sick leave to which the employee might otherwise be entitled, and shall not involve any loss of efficiency rating, privileges or pay. Verification of military orders may be required. The employee shall, in advance, provide an official copy of his military orders, if available.

ARTICLE 11 – EMPLOYEES’ RIGHTS

This article does not apply to Probationary Employees.

No employee shall, by reason of his employment, be deprived of any rights or freedoms which are afforded to other citizens of the United States by the United States Constitution, subject to Policies and Procedures of the Grandview Police Department. In addition, the Department shall inform me of, and provide me with the protection afforded me under the doctrines set forth in *Garrity v. New Jersey*, 386 U.S. 993 (1967), *Gardner v. Broderick*, 392 U.S. 273 (1968), and their progeny, should this report (statement) be sued for other than disciplinary purposes.

The employee will be required to answer any questions involving non-criminal matters under investigation. Prior to any questioning, the employee will be notified in writing and acknowledge receipt of the following:

“You are about to be questioned as part of an internal investigation being conducted by the Grandview Police Department. Today’s date is current Time is Location of interview. You are hereby ordered to answer the questions which are put to you which relate to your conduct and/or job performance and to cooperate with this investigation. Your failure to cooperate with this investigation can be the subject of disciplinary action in and of itself, including dismissal. The statements you make or evidence gained as a result of this required cooperation may be used for administrative disciplinary purposes but will not be used or introduced into evidence in a criminal proceeding.”

Section 1 – Bill of Rights. All employees within the bargaining unit shall be entitled to the protection of what shall hereafter be termed as the “Police Officers Bill of Rights.” The wide ranging powers and duties given to the Department and its members involve them in all manner of contacts and relationships with the public. Of these contacts come many questions concerning the actions of members of the force. These questions often require an immediate investigation by superior officers designated by the Police Chief. In an effort to ensure that these investigations are conducted in a manner which is conducive to good order and discipline, the following guidelines are promulgated.

(a) Notification of formal internal investigation.

1. Within forty-eight (48) hours of the Department starting a formal internal investigation, said employee who is the subject of the complaint shall be informed in writing of the nature of the investigation, and advised of their rights, unless notification may prejudice the integrity of the investigation.
2. Any employee who is the subject of the complaint shall be informed in writing of the nature of the investigation and advised of their rights at least forty-eight

(48) hours before any interview of the employee begins.

3. The affected employee may waive the requirement to wait forty-eight (48) hours. Written notice shall include sufficient information necessary to reasonably apprise the employee of the allegations of such complaint.
4. No employee will be interviewed over a subject that the Employer knows or should know will result in an economic sanction without providing the notice required by this subsection.
5. This does not preclude the Employer from asking the employee general questions to see if there is a need for a formal internal investigation.

(b) Recording Interviews. The Union stipulates that the interview of an employee during an investigation may be audio recorded and if so a copy shall be provided to each party. Upon mutual agreement between the City and the Union representative, including agreement on the placement of the audio-visual equipment, the interview of an employee may be audio-visually recorded. The City will provide a copy of the audio-visual recording to the Union representative immediately or within twelve (12) hours following the completion of the interview.

1. Any interview of an employee shall be at a reasonable hour, preferably when the employee is on duty, unless the exigencies of the investigation dictate otherwise. Where practicable, interviews shall be scheduled for the day time.
2. The interview shall take place at the Police Station facility, except where impractical. The employee shall be afforded the opportunity and facilities to contact and consult privately with an attorney of the employee's own choosing and/or a representative of the Union. Said employee's attorney and/or Union representative and/or Union attorney may be present during the interview but shall not participate in the interrogation except to counsel the employee, provided that the Union representative, employee attorney or Union attorney may participate to the extent permitted by the law.
3. The questioning shall not be overly long and the employee shall be entitled reasonable intermissions as the employee shall request for personal necessities, meals, telephone calls and rest periods.
4. Prior to the disclosure of investigation made in subsection (c) of this section, the employee shall not be subjected to any offensive language, nor shall the employee be threatened with dismissal, transfer, or other disciplinary punishment as a guise to obtain the resignation of the employee nor shall the employee be intimidated in any manner. No promises or reward shall be made as an inducement to answer questions. This does not preclude allowing the Employer, to suggest resignation as an option should circumstances dictate.

5. It shall be unlawful for the City to require any employee covered by this agreement to take or be subjected to any polygraph or any polygraph type of examination as the condition of continued or continuous employment or to avoid any threatened disciplinary action. By mutual agreement, the parties may stipulate to a polygraph examination.

(c) Disclosure of Investigation. An employee who is the subject of an investigation shall be provided written notice if the investigation is not concluded within sixty (60) calendar days. The notice shall include a projected completion date and a brief and informative explanation of the delay. If it is determined that the investigation will take longer than an additional sixty (60) calendar days, the Chief or his designee shall notify the Union. The preceding requirement does not apply to criminal investigations. No later than five (5) business days (Monday through Friday) prior to a pre-disciplinary meeting (Loudermill), the employee shall be advised of the results of the investigation and the recommended disposition and shall be furnished a complete copy of the investigation report, provided that the Employer is not required to release statements made by persons requesting confidentiality where the request was initiated by such persons, and provided further, such confidential statements may not be relied upon to form the basis of discipline. The employee and his/her representative shall be allowed up to fourteen (14) calendar days to perform an independent investigation prior to the pre-disciplinary meeting (Loudermill), with additional time for good cause, as determined by the Chief or his designee. The employee and any representative of the employee are prohibited from contacting any witnesses or complainants in the investigation until such time as the disclosure of investigation described in this subsection occurs.

(d) Use of Deadly Force Situations. When an employee, whether on or off duty, uses deadly force which results in the injury or death of a person, or discharges a firearm in which no injury occurs, the employee shall not be required to make a written or recorded statement for forty-eight (48) hours after the incident except that immediately following the incident the employee shall verbally report to a superior a brief summary of the incident and any information necessary to secure evidence, identify witnesses, or apprehend suspects. The affected employee may waive the requirement to wait forty-eight (48) hours.

(e) Psychological or Medical Evaluations. When the Chief or his designee believes that an employee is psychologically or medically unfit to perform his/her duties, the Employer may require the employee to undergo a psychological or medical examination in accordance with current standards established by the Washington Association of Sheriffs and Police Chiefs, the International Association Chiefs of Police, the American with Disabilities Act, and other applicable State or Federal laws. Consultations with the City's Employee Assistance Program are not considered psychological or medical examinations. If the first psychological and/or medical examination by the Employer's medical provider results in a finding of unfit for duty, the Employer has the right to immediately place the employee on administrative leave pending further proceedings. If the Union and/or employee desire that a second psychological and/or medical

examination be conducted by a medical provider who is qualified to conduct such examinations then the Union and employee shall notify the Employer within five (5) calendar days of release of the results of the first examination and shall arrange for the second examination to be conducted and concluded within ten (10) calendar days of release of the first examination results. The second examination shall be at the expense of the Union and/or employee. If the second examination disagrees with the results of the first examination (one indicates unfit and the other fit for duty) then a third examination will be performed by a medical provider who is qualified to conduct such examinations and who is selected by mutual agreement between the Employer and the Union. The expenses of such third examination shall be shared equally by the Employer and the Union. The third examination shall be conducted and concluded within ten (10) calendar days of the release of the second examination results. The outcome of the third examination concurring with either the first examination results or the second examination results shall be final and binding on the Employer, the Union and the employee. The examinations process and the results shall not be subject to the grievance procedures. If the employee is found to be unfit for duty, then the employee shall be terminated unless treatment can rehabilitate the employee to fit for duty status within six (6) months of the last examination results except where such treatment timing (6 months) would create an undue hardship on the City in which case the employee shall be terminated.

ARTICLE 12 - HOURS OF WORK - OVERTIME

12.1 The work week shall consist of the number of shifts during the applicable work period as determined, from time to time, by the Chief or his designee based on the following options:

12.1.2 Ten (10) consecutive hours for four (4) consecutive shifts for a total of forty (40) hours in a seven (7) day work period.

This schedule will consist of working five (5) shifts/days followed by four (4) shifts/days off of work, followed by another five on/four off, and then five shifts on and then five consecutive days off. Following these last five days off, the shifts will go back through the same cycle as mentioned above.

12.1.5 The Police Chief or his designee has the right to modify the shifts and work periods referenced in 12.1.1, 12.1.2, 12.1.3 and 12.1.4 based on the Chief's assessment of the needs as it relates to public police services.

12.2 Each work shift shall include a thirty (30) minute meal period as near to the middle of the shift as possible and two (2) fifteen (15) minute rest periods, to be taken at the employee's discretion so as not to interfere with normal business of the department.

12.3 The shifts to which employees are assigned on a regular rotating basis, shall be stated on the Department schedule as determined by the Chief from time to time. Should it be necessary in the interest of efficient operations to establish shifts departing from the assigned shift, the Police Chief will give notice of such change to the individual as far in advance as is reasonably practical. Employees may exchange shifts when unforeseen circumstances arise provided they first request and receive approval in writing from the Police Chief or his designee. Such exchange in shifts shall not, by itself, constitute a basis for entitlement to overtime compensation.

12.4 **Overtime:** Employees covered by this Agreement shall be paid one and one-half (1 ½) times their regular applicable hourly rate for all hours worked outside their normally scheduled shift(s), providing that their scheduled hours are either worked or compensated for through either sick leave, vacation leave, or other acceptable compensatory means.

12.6 **Compensatory Time:** Upon approval of the Chief or his designee, an employee may choose to receive compensatory time at one and one-half hours for each hour worked in excess of forty hours per week. The Employer has the right to administer a combination of the above disciplinary action(s) such as: a suspension without pay and PIP; or demotion and PIP; or demotion, PIP and last chance agreement, etc;

16.3 The parties agree that progressive and escalating levels of discipline are preferable for minor violations of work rules in order to allow an employee notice of misconduct and to allow the Employer to document prior disciplinary matters. The parties agree that for serious violations, progressive and escalating levels of discipline are not necessary and the Employer can proceed directly to the higher levels of disciplinary action up to and including discharge regardless of whether the employee has any prior disciplinary actions in his/her file. When progressive and escalating levels of discipline for minor violations is being considered, the level or degree of discipline imposed may be appropriately based on an employee's prior record of service, length of service, severity of offenses and prior record of discipline; the order in which these criteria appear is not indicative of their priority. Subject to the tenets of just cause, all previous disciplinary actions in an employee's file may be evaluated and considered in a disciplinary action.

16.4 **Administrative Leave.** When the Police Chief has reasonable belief that circumstances are such that retention of the employee will likely result in disruption of Employer services, damage to or loss of Employer property or be injurious to the employee, fellow employees or the services provided by the Employer, the Police Chief has the right to place the employee on administrative leave with pay immediately, pending an internal affairs investigation and potential discipline. In such cases, the suspected reasons shall be made available to the employee and the Union, in writing, by the Police Chief when the employee is placed on administrative leave with pay.

16.5 The employee shall have the right to inspect his/her personnel file. The employee shall have the right to add their written comments to materials added to the personnel file.

16.6 Any written reprimand in an employee personnel file will be removed from the file after three (3) years if there has been no recurrence of the type or kind of conduct giving rise to the reprimand. If there is a recurrence, the written reprimand will remain in the file for three (3) years from the date of the recurrence. Suspensions without pay, demotions, last chance agreements, yearly evaluations and discharge shall remain permanently in the employee's personnel file.

16.7 **Suspension without Pay, Demotion and Discharge:** The Employer has the right to suspend without pay, demote or discharge/terminate an employee for cause. Prior to implementing disciplinary action, the Employer will present to the Union and employee a letter/written notice of pre-disciplinary action meeting which shall contain a description of the violation(s), misconduct(s) and/or performance problems as well as the departmental policies, procedures, rules, regulations, etc being relied upon by the Employer. The written notice will indicate that the employee has the right to have their Union representative present at the pre-disciplinary action meeting. The notice will set forth the date, time and location of the pre-disciplinary action meeting.

16.8 The purpose of the pre-disciplinary action meeting is to provide the employee with an opportunity to explain their side of the facts, misconducts, violations and/or performance problems before the Employer implements disciplinary action. The Employer will issue a written decision regarding disciplinary action(s) that will be implemented within a reasonable time after the pre-disciplinary action meeting. The timing of issuance of the written decision is dependent on the complexity of the facts, investigations, and whether the Employer believes further investigation is necessary.

16.9 **Notification and Representation:** The limitations relating to notification of disciplinary action are only for employee notification purposes and shall not adversely affect the validity of disciplinary action taken by the Employer. The duration of the investigation shall not adversely affect the validity of the charges, findings and resultant discipline.

The Assistant Chief or Police Chief shall respond to the grievance as quickly as possible, but not later than ten (10) days after the grievance is first discussed. If the Assistant Chief or Police Chief fails to timely respond, the grievant has the right to move the grievance to Step 2 no more than ten (10) days after the Assistant Chief or Police Chief response was due. If the basis of the grievance involves actions of the Police Chief, then the parties shall start the grievance process at Step 2.

Step 2: If, within ten (10) days from receipt of the Assistant Chief or Police Chief reply, the grievance remains unresolved, the employee or the Union shall submit written notice to the Police Chief with a copy to the Union if submitted by the employee, including: 1) statement of the grievance and relevant facts; 2) specific provisions of the Agreement violated; and 3) remedy sought. The parties shall select an arbitrator from the list by alternatively striking a name, with the first strike being determined by lot. The final name left on the list shall be the arbitrator. The arbitrator's decision shall be final and binding, but the arbitrator shall have no power to alter, modify, add to or detract from the terms of the agreement. The arbitrator shall not have the authority to award punitive damages. Days shall be counted as calendar days.
- 17.5 **Time Limits.** Failure of an employee and/or Union to submit a grievance in accordance with the time limits listed above and failure of the employee and/or Union to timely pursue a grievance to the next step shall constitute abandonment and dismissal of the grievance. This does not preclude the parties from extending the grievance time limits by mutual agreement.

APPENDIX "D"
SUBSTANCE ABUSE POLICY & TESTING PROCEDURE

I. OBJECTIVE

The City of Grandview Police Department has a strong commitment to provide a safe work environment for its employees and to establish programs promoting high standards of employee health and safety. Consistent with that commitment, this Substance Abuse Policy and Testing Procedure has been established.

II. POLICY

A. The unauthorized use, sale, transfer, or possession of alcohol, drugs, controlled substances and/or "mood altering" substances (except the possession or use of prescribed medication, verifiable by a current, properly issued prescription) during work hours, (including meal and rest periods), on City property, in City vehicles, or in personal vehicles while conducting City business is prohibited. Violation of this section of the policy shall result in disciplinary action, which may include termination of employment in accordance with Grandview Civil Service Rule 16.

B. With the exception of employees authorized to consume alcohol and/or drugs while performing job functions; reporting for work impaired by the use of intoxicants, or becoming impaired by the use of intoxicants during working hours through the use of alcohol, drugs (including prescribed medication), controlled substances and/or "mood altering" substances is prohibited. Violation of this section of the policy shall result in disciplinary action, which may include termination of employment.

C. Knowledge of cautions and warnings printed on the prescribed and/or "over-the-counter" medication container labels are the sole responsibility of the employee. Consultation with the employee's attending physician, concerning the affects a substance may have on that employee, may be appropriate. An employee utilizing prescribed and/or "over-the-counter" medication(s) that could adversely affect job safety or performance must immediately report that fact to his/her supervisor. Violation of this section of the policy shall result in disciplinary action, which may include termination of employment.

D. The City reserves the right to conduct searches of City property, City vehicles or equipment at any time or place. The City reserves the right to conduct searches of an employee or any vehicle used by the employee while on duty, when there are reasonable grounds to believe the employee is in violation of this policy. Failure to cooperate with these procedures, without just cause, may be grounds for dismissal.

E. The City recognizes drug dependency as an illness and a major health problem. The City also recognizes drug abuse as a potential health, safety, and security problem. Employees needing help in dealing with such problems are encouraged to use our Employee Assistance Program (EAP) and health insurance plans, as appropriate. Conscientious efforts to seek such help will not jeopardize any employee's job, and will not be noted in any

personnel record.

F. Employees must, as a condition of employment, abide by the terms of the above policy and report any conviction under a criminal drug statute for violations occurring on City premises while conducting City business. A report of a conviction must be made within five (5) days after the conviction. (This requirement is mandated by the Drug-Free Workplace Act of 1988.)

This policy supersedes any and all previously issued City Drug/Alcohol Policies and will be applied equally to all Police Department employees.

III. SUBSTANCE ABUSE TESTING

A. Reasonable Cause Testing Only

The applicable substance abuse testing procedures outlined below will be initiated if the following event occurs: A supervisor, through objective observation or investigation or evaluation concludes that an employee has consumed and/or used controlled substances. The supervisor must be trained and certified in the area of proper detection. All relevant facts pertaining to an investigation conducted pursuant to the event mentioned above will be documented in writing and preserved for future reference by the City and Union.

SUBSTANCE ABUSE TESTING PROCEDURES

1. The City will transport the suspected employee to a pre-determined testing facility near his/her work area.

2. The employee will be requested to submit to the testing procedures. The employee has the right to refuse to submit to the tests; however, refusal to submit to the tests may be grounds for termination.

3. The employee will provide a urine sample or breath sample. The urine sample will be provided for analysis to determine the amount, if any, contained in the employee's urine of all substances listed in paragraph six below, except ethyl alcohol. The breath sample will be provided for analysis to determine the amount, if any, of ethyl alcohol contained in the employee's blood. The urine sample results will be analyzed by a professional Medical Review Officer (MRO) selected by the City. The breathalyzer test will be administered by the City Police Chief or Assistant Police Chief, using up-to-date State-mandated methods.

4. Collection of the urine specimen will be under the direction of qualified medical personnel. All provisions of the attached "chain of custody" form will be adhered to. Collection of the urine specimen or breath sample will take place as soon as possible following the observation. The employee will cooperate fully in the collection of the specimen or sample. An employee tampering with the specimen or sample or refusing to submit to the test within a reasonable period of time may be terminated. If the employee refuses to provide the urine

sample within a 24-hour time frame (unless physically unable), that action will result in disciplinary measures which may include termination of employment.

The employee has the right to an independent urine specimen analysis or blood test for alcohol at a facility of his/her choosing, at the employee's expense. To facilitate an employee's request for an independent analysis, at the time of the original specimen collective, two (2) samples must be taken. The original testing laboratory will place one (1) sample in secure refrigerated storage. If the first (1st) sample reveals a positive result, the employee will indicate which laboratory he wishes the second (2nd) sample be tested. If the independent analysis results are negative, the employee will be reimbursed for the cost of the second (2nd) test and for all lost wages and benefits. (i.e. sick leave hours restored to sick leave bank).

5. After collection of the specimen or sample, the employee will be transported to his/her residence or other safe location. The employee will not be allowed to continue work until the test results become available and are evaluated. Pay for this period of time shall be deducted from the employee's sick leave payable with the first day the employee was removed from the workplace.

6. The urine specimen will be forwarded to Smith Kline Beecham Clinical Labs, Seattle for analysis. Strict adherence to the chain of custody requirements will be followed during the transportation of the specimen to the laboratory. The laboratory through the MRO will analyze the specimen for the following substances (the positive level of detection is in parentheses following the name of each substance): amphetamines (700 ng/ml), barbiturates (300 ng/ml), benzodiazepines (300 ng/ml), cannabinoids (100 ng/ml), cocaine metabolite (300 ng/ml), methadone (300 ng/ml), methaqualone (300 ng/ml), opiates (300 ng/ml), phencyclidine (75 ng/ml), and propoxyphene (300 ng/ml). The laboratory will communicate the test results to the Medical Review Officer, who in turn will relate the results to the employee, City Supervisor and the Mayor. Positive test results will be communicated to the employee, by the MRO, for clarification.

The positive level of detection for ethyl alcohol as it relates to the breathalyzer test is .05 gr/210L of breath.*The positive level of detection for ethyl alcohol as it relates to the employee's independent blood test is 0.04gr/dl. *Per Part 383.5 (Federal Motor Carrier Regulations) definition of "alcohol concentration."

7. For purposes of this policy, being "impaired" or "under the influence" means being unable to perform work in a safe and productive manner, being in a physical or mental condition which creates a risk to the safety and wellbeing of the individual, other employees, the public, or City property. The symptoms of influence and/or impairment are not confined to those consistent with misbehavior or to obvious impairment of physical or mental ability such as slurred speech or difficulty in maintaining balance. **AN EMPLOYEE WILL BE PRESUMED TO BE IMPAIRED AND IN VIOLATION OF THIS POLICY WHENEVER THE PRESENCE OF DRUGS OR ALCOHOL, AT OR ABOVE THE LEVELS SET FORTH IN PARAGRAPH SIX, IS DETECTED IN A SUBSTANCE ABUSE TEST ADMINISTERED UNDER THE TERMS OF THIS POLICY.**

8. Test results will be stored at the Grandview City Hall in a secure file outside the regular personnel files. Access to the file will be extremely restricted--only the City Supervisor, Mayor, and the Police Chief will have access. All records will be treated in the most confidential fashion by the City and the Union.

9. All costs associated with substance abuse testing, other than a positive test result of an independent analysis requested by the employee, will be paid by the City.

10. Should analysis of the specimens indicate a negative level of a substance in an employee's system, the employee will be reinstated to his/her former position and compensated for lost wages and benefits. i.e. sick leave hours restored to sick leave bank.

11. Should analysis of the specimens indicate a positive level of a substance in an employee's system, the employee will have the following options:

(a) Terminate employment with the Employer, or

(b) The employee shall be evaluated by a qualified drug/alcohol counselor to determine the extent of his/ her chemical dependency. If, in the opinion of the counselor, the employee requires rehabilitation services (on a one (1) chance only basis unless mutually agreed otherwise), the employee will be placed on a leave-of-absence for a period not to exceed ninety (90) days and enroll in a certified alcohol and/or drug rehabilitation program. The employee will be allowed to use Sick Leave during this leave period. The City reserves the right of concurrence on the selection of the rehabilitation counselor, facility and program content. Cost of the rehabilitation program will be paid by the employee or medical insurance provider (within contractual limitations). The employee will submit semi-weekly written progress reports from his/her counselor during the entire treatment program. The employee will be reinstated to his/her former position without prejudice when the following conditions have been met: (a) The employee has completed the treatment program; and (b) The attending counselor has formally released the employee to return to work; and (c) The employee agrees to submit to a substance abuse test. During the next twenty-four (24) months following reinstatement, the employee consents to be tested for the presence of alcohol, drugs, and/or controlled substances no more than four (4) times, with or without cause. Any subsequent violation of this policy will be grounds for immediate discharge.

IV. SELF-RECOGNIZED SUBSTANCE ABUSE

**EMPLOYEE BRIEFING AND INSTRUCTIONS
for
DRUG TESTING**

YOU HAVE BEEN SELECTED FOR URINE DRUG TESTING

The collection of your urine will be conducted under the procedures listed below. These regulations allow for individual privacy unless there is reason to believe that a particular individual may alter or substitute the urine specimen to be provided. The collection site persons will take precautions to ensure that your specimen is not adulterated or diluted during the collection procedure. Your specimen collection must also follow strict chain of custody and security procedures.

In addition:

Photo identification must be presented at the collection site or personal individual identification is necessary.

You will be asked to remove any unnecessary outer garments such as a coat and jacket.

All personal belongings like briefcases will remain with the outer garments. You may retain your wallet.

You will be instructed to wash and dry your hands prior to providing a specimen.

You will be provided a sealed collection container or bottle, or it will be unwrapped in your presence.

Your specimen will be provided in the privacy of a stall or otherwise partitioned area that allows for individual privacy.

After handing the specimen bottle to the collector, you should keep the specimen in full view at all times until it is sealed and labeled. This protects you against the wrong label being put on your bottle or someone possibly tampering with your specimen.

If the collection site person has reason to believe that you may have altered or substituted the specimen, the person will notify the City's Medical Review Officer. Should you tamper, adulterate, or in any way attempt to dilute the specimen, the collection site person will request authorization to collect a second specimen under direct observation by the same gender collection site person.

You will be asked to initial the identification label on the specimen container for the purpose of certifying that it came from you.

You will also be asked to provide information on the chain of custody form, Section VII on

copies 3 through 6 only, and certify that the urine specimen identified as having been collected from you is in fact the specimen you provided. You will receive copy 4 of the chain of custody form on which you may want to make a list of medications you are taking.

After the laboratory analysis, the results will be forwarded to the Medical Review officer working for your Employer. Prior to making a final decision to verify a positive test result to your Employer, the Medical Review Officer will give you an opportunity to discuss the test results and submit medical documentation of legally prescribed medications.

A complete listing of the collection procedures may be found in Title 49 CFR Part 40.25.

APPENDIX "E"
POST INCIDENT TRAUMA RESPONSE TO THE EMPLOYEE

The City recognizes that employee involvement in specific work-related incidents may cause serious trauma to the employee. This trauma, more specifically Post Traumatic Stress Syndrome, is a psychological and/or physiological response associated with traumatic events that are generally outside the range of usual human experience. The resulting trauma can create immediate, short term, and/or long-term symptoms.

The goal of this program is to provide an outline for response to an employee who has been involved in a death or serious injury incident. This outline is an attempt to recognize some of the legal and societal needs of the employee and his family.

This outline applies to all departmental personnel.

A. When an employee is the cause of a death or serious injury incident he will be placed on mandatory administrative leave with pay for a minimum of forty-eight (48) consecutive hours if the employee was scheduled to work. Administrative leave is in the interest of the employee and the department and shall not be waived.

B. The employee will be afforded the opportunity to name a fellow employee to assist with transportation needs, companionship, and moral support.

1. If a fellow officer is named, that officer will also be placed on concurrent administrative leave of forty-eight (48) hours duration.

2. Communications between the two employees will be considered confidential and privileged for the purpose of any departmental investigation or review. However, nothing herein should be construed to circumvent the Court's subpoena authority in any resulting criminal matter.

C. The City and/or Police Chief shall designate a post-trauma provider for evaluation, care, and counseling of any employee who has been the cause of a death or serious injury incident. This counseling is mandatory, cannot be waived, and will include a "fit for duty" evaluation. Initial counseling should take place within forty-eight (48) hours if at all possible.

D. The City and/or Police Chief may seek and consider the professional opinion of any PTSD qualified psychological counselor and/or treating physician as to whether the employee is affected in such a way as to make the employee a substantial risk to himself or to substantially interfere with his ability to perform the job. Recommendations with regard to modified duties and/or extended leaves are subject to LEOFF and/or L&I disability procedures.

E. If the post-trauma provider believes that an employee needs more in-depth or extended assistance, he will refer the employee to a source qualified to provide such assistance. The referral must be coordinated with the City and/or Police Chief and be consistent with LEOFF and/or L&I requirements.

1. The responsibility for payment of continued treatment must be specified prior to the first appointment. This responsibility should fall first to the appropriate LEOFF or L&I program, then to the employee's medical insurance, and finally to the City. In cases where the City assumes the cost of further care, the provider must clearly understand the scope of services expected.

F. The Police Chief should do his best to assist the affected employee in matters of relevant concern such as expeditious repair/replacement of damaged equipment or clothing, response to inquiries relating to personnel adjustments, payroll, defined leaves, etc.

G. The City attorney shall be available to provide information to the employee regarding various legal actions which may arise in connection with the death or serious injury incident. He may assist the employee in determining when to retain legal counsel and what the employee's rights to legal counsel are under contract and city ordinance. He may also provide other legal assistance as possible with the understanding that he, as an attorney employed by the City, cannot ethically represent the employee in certain proceedings.

H. If an employee, while acting as an agent of the City, is witness to or involved in a Critical Incident - but not the direct cause of a death or serious injury - shall, on request, be provided initial consultation with a department designated post-trauma PTSD Qualified provider.

Should the incident involve a number of emergency services personnel; the City shall offer access to a Critical Incident Debriefing Meeting. This meeting should take place within seventy-two (72) hours following the incident if at all possible. All conversations between the employees and debriefing personnel are to be considered confidential.

1. For purposes of this section, a Critical Incident is defined as any situation, which may cause a person to experience unusually strong emotional and/or physiological responses that have the potential to interfere with the ability of the employee to perform his duties.
