Requests may be submitted in person, orally, by mail, fax, or e-mail. E-mail will be considered received on the date the message is stamped "received" not on the date sent. Requests should include the following information:

- A. The requestors name, mailing address, and contact phone number; and
- B. The date of the request; and
- C. The nature of the request, including a description of the public record(s) adequate for the city personnel to be able to locate the records.

Requests for public records made orally must be made to the person identified in this policy during normal business hours.

A variety of records are available on the City's website at www.grandview.wa.us. Requestors are encouraged to view records available on the website prior to submitting a records request.

3. Response to Requests: The City will process requests in the most efficient manner as the Public Records Officer (defined above) deems appropriate. Within five (5) business days of receiving a request, the City will either (A) provide the record; (B) acknowledge that the request has been received and provide a reasonable time estimate it will need to respond to the request; or (C) deny the request. Additional time to respond may be based on the need to clarify the intent of the request, to locate and assemble the records, to notify third parties or agencies affected by the request and provide such parties/agencies with the opportunity to seek a court order preventing disclosure where appropriate, and/or to determine whether any of the information requested is exempt from disclosure. If the requestor fails to clarify an unclear request within 15 days, the City will treat the request as having been withdrawn. [RCW 42.56.520](#)

4. Providing Records in Installments: When the request is for a large number of records, the City may provide access for inspection and copying in partial installments if reasonably determined that it would be practical to provide the records in that way. If the requestor fails to inspect the entire set of records or one or more of the installments within 30 days, the Public Records Officer may stop searching for the remaining records and close the request. [RCW 42.56.120](#)

5. No Duty to Create Records: This policy does not require the City to answer written questions, create new public records, or provide information in a format that is different from original public records; however, the City may in its discretion, create such a new record to fulfill the request where it may be easier for the City to create a record responsive to the request than to collect and make available voluminous records that contain small pieces of information responsive to the request. [WAC 44-14-04003\(5\)](#)

6. No Duty to Supplement Responses: The City is not obligated to hold current records requests open to respond to requests for records that may be created in the future. A new request must be made to obtain later-created public records.

7. Fees: The charge for photocopies is fifteen cents per page or the actual per page cost, whichever is greater. When public records are mailed to a requestor, a charge for postage and the cost of the envelope or container used may be added. No

fee is charged for inspection of a public record or for locating a record. Fees may be waived due to the few number of copies made or other circumstances. Payment of fees is required prior to release of records unless other arrangements have been made. [RCW 42.56.120](#)

8. Deposit: The City may require a deposit of up to ten percent (10%) of the estimated cost of copying records prior to copying any records for a requestor. The City may also require payment of the remainder of the cost before providing all of the records, or the payment of the costs of copying an installment before providing that installment. [RCW 42.56.120](#)

9. Availability of Public Records: Public records are available for inspection and copying at the City Clerk's Office during normal business hours: Monday through Friday, 8:00 a.m. to 5:00 p.m., excluding legal holidays. City personnel and the requestor may make mutually agreeable arrangements for time(s) of inspection and copying.

10. Preservation of Public Records: No member of the public may remove a public record from a viewing area, disassemble, or alter any public record.

11. Organization of Public Records: The City finds that maintaining an index as provided in RCW 42.56.070(3) for use by the public would be unduly burdensome and would interfere with agency operations given the high volume, various locations, and types of public records received, generated and otherwise acquired by the City. RCW 42.56.070(4) Notwithstanding the foregoing, the City will maintain its records in a reasonably organized manner and take reasonable actions to protect records from damage and disorganization.

12. Closing Abandoned Requests: If the requestor withdraws the request, fails to fulfill his or her obligations to inspect the records within 15 days of notice that the records are available for inspection, or fails to pay the deposit or final payment for the requested copies, City personnel will close the request and notify the requestor that the request has been closed. City personnel will document closure of the request and the conditions that led to closure. [RCW 42.56.120](#)

13. Records and Information Exempt from Public Disclosure: The City is not required to permit public inspection and copying of records for which public disclosure of the record is prohibited, restricted or limited by state or federal statute or regulation. The City is prohibited by statute from disclosing lists of individuals for commercial purposes. [RCW 42.56.070\(9\)](#)

The Public Records Act provides that a number of types of documents are exempt from public inspection and copying. [RCW 42.56.230 through 42.56.480](#) contain a large number of exemptions from public inspection and copying.

Other statutes outside the Public Records Act may prohibit and exempt disclosure of certain documents or information [RCW 42.56.070\(1\)](#).

The City's failure to list an exemption shall not affect the effectiveness of the exemption.

14. Denial of Request Due to Exemption: All denials of requests for public records will be accompanied by a written statement specifying the reason(s) for the denial, including a statement of the specific exemption authorizing the withholding of the record and a brief explanation of how the exemption applies to the record withheld. [RCW 42.56.210\(3\)](#)

15. Mechanism for Review of Denial: Any person who objects to the denial of a public records request may petition in writing to the City Attorney's Office for a review of that decision. The petition shall include a copy of or reasonably identify the written statement by the City Attorney's Office or designee denying the request. The City Attorney shall perform a review of the denial as promptly as possible. Pursuant to state law, the review shall be deemed concluded at the end of the second business day following the denial to represent final action for the purposes of judicial review. [RCW 42.56.530](#)

16. Retention of Records: The City is not required to retain all records it creates or uses. However, the City will follow [RCW Chapter 40.14](#), Preservation and Destruction of Public Records, in the retention and destruction of public records. The State Attorney General's Local Records Committee approves a general retention schedule for local agency records (including cities) that is common to most agencies. Individual agencies may seek approval from the Local Records Committee for retention schedules specific to their agency or that, due to their particular business needs, must be kept longer than provided in the general schedule.

The retention schedule for local agencies is available at www.secstate.wa.gov/archives. Retention schedules for documents vary based on the content of the record. [WAC 44-14-03005](#)
