"Roll On Columbia"
Written By Woody Guthrie

Roll on, Columbia, roll on
Roll on, Columbia, roll on
Your power is turning our darkness to dawn
So roll on, Columbia, roll on
Green Douglas firs where the waters cut
through
Down her wild mountains and canyons she
flow
Canadian Northwest to the oceans so blue
Roll on Columbia, roll on

Other great rivers add power to you
Yakima, Snake, and the Klickitat, too
Sandy Willamette and Hood River too
So roll on, Columbia, roll on
Tom Jefferson's vision would not let him rest
An empire he saw in the Pacific Northwest
Sent Lewis and Clark and they did the rest
So roll on, Columbia, roll on
It's there on your banks that we fought many a
fight

Sheridan's boys in the blockhouse that night
They saw us in death but never in fright
So roll on Columbia, roll on

Mayor Gloria Mendoza called the Committee-of-the-Whole meeting to order at 6:00 p.m., in the Council Chambers at City Hall.

On June 17, 2020, Governor Inslee's Proclamation 20-28.4 was extended through July 1, 2020. The proclamation continued the prohibition on "in-person" meetings. However, the proclamation did not limit permissible "action" to "necessary and routine matters" and "matters necessary to respond to the COVID-19 outbreak and current health emergency." As a result, Council may conduct business on all matters coming before it; but should not do so at a meeting conducted in-person. This meeting was available via teleconference.

The City of Grandview's award was \$336,000. Prior to receiving funds, a contract would need to be executed with the Washington State Department of Commerce (Commerce). Funds may only be used to cover costs that:

1. were necessary expenditures incurred due to the public health emergency with respect to the Coronavirus Disease 2019 (COVID-19);
2. were not accounted for in the budget most recently approved as of March 27, 2020 (the date of enactment of the CARES Act) for the State or government; and

C. Ordinance establishing a separate Wastewater Fund

City Treasurer Cordray explained that in 2012, the City and the United States Department of Agriculture Rural Development (USDA-RD) entered into a loan agreement for Wastewater Pumping Facility improvements. Within the letter of conditions from USDA-RD was a requirement to split the Water and Wasterwater Fund into separate funds in 2020. The ordinance presented would satisfy that requirement. There would be no changes to the budget amounts. The total revenues, expenditures and fund balances for the two separate funds would be equal the balances for the current combined Water/Sewer Fund.
