Amenities

Disc Golf Course

Grandview's Dykstra Park is home to an 18-hole regulation Disc Golf Course. The park also includes a 1.25-mile walking path, Rotary picnic shelter, newly paved basketball court and playground equipment.

Grandview Rose Garden

Grandview is home to a vibrant community Rose Garden. In 1952, the Grandview Garden Club developed this breathtaking facility, which was originally housed at Westside Park. In 2010, a group of dedicated volunteers relocated the Rose Garden to the East entrance of town. Its lively beauty can be enjoyed my many during its full bloom.
