

**Message
from
Mayor Mendoza**

Hello everyone, this is the start of messages I will be writing to keep our residents informed about important city business, events and information. At our recent city council retreat, members and department heads identified the need to provide information to our residents in short messages from the Mayor.

We are excited to announce that the new Roundabout is now open to traffic and is being used safely by many vehicles. The project was completed ahead of schedule. We are having a Grand Opening on Tuesday, September 26, 2023, at 10 AM to demonstrate its use and celebrate this accomplishment for Grandview residents. We invite you to join us for this exciting grand opening event.

Grandview is on the Move... and Growing!
